

The background of the entire page is a piece of marbled paper. It features a complex, organic pattern of swirling, veined lines in shades of light grey, off-white, and pale beige. The lines vary in thickness and direction, creating a sense of movement and depth, characteristic of traditional stone or shell marbling techniques.

LAWRENCE

LAWRENCE · 劳伦斯

采用精工复合工艺，将天然实木饰面完美包覆金属承重立柱，既保留了金属骨架的稳固特性，又赋予立柱温润的木质触感。通过精准色系匹配技术，立柱与层板实现视觉统一，彻底告别传统金属立柱的冰冷工业感。

Utilizing precision composite craftsmanship, the natural wood veneer is seamlessly encased around the metal load-bearing columns, preserving the structural integrity of the steel core while endowing the pillars with a warm, tactile wooden essence. Through advanced chromatic alignment technology, the columns achieve perfect visual continuity with wooden shelves, completely eliminating the cold industrial impression of conventional metal support systems.
