SLICE

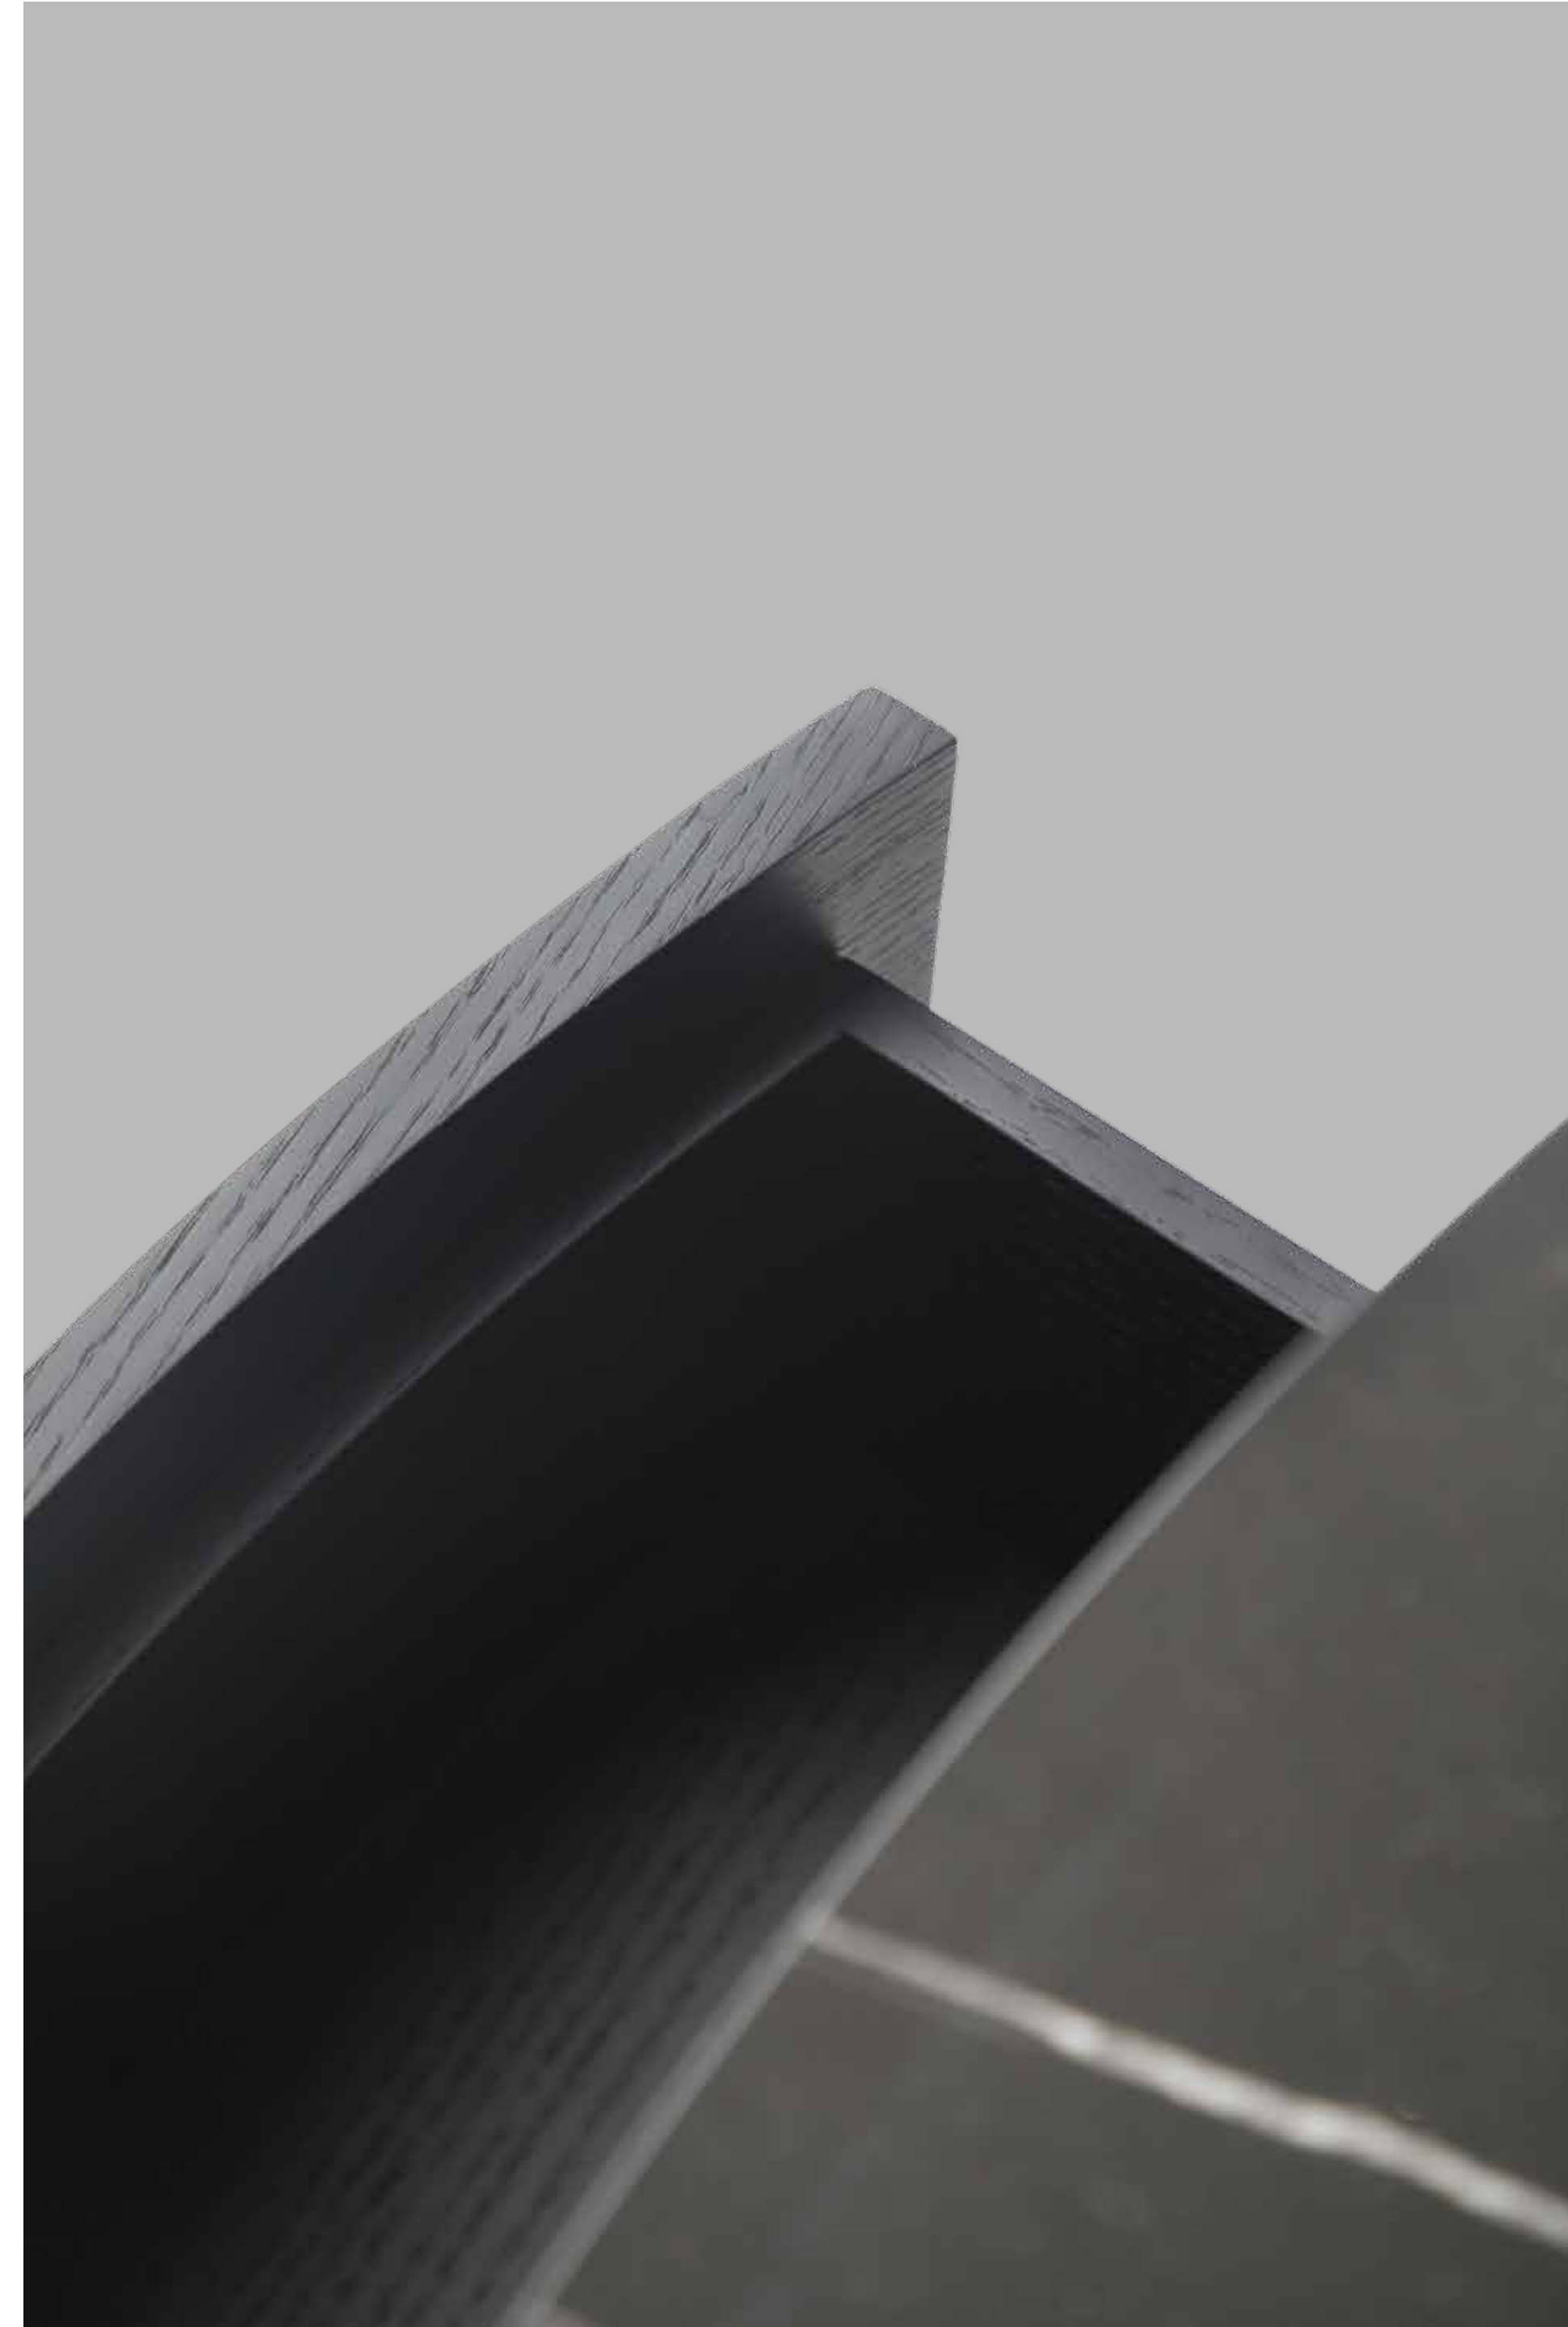

设计师希望通过简洁、克制的轮廓和不同的中性色材料创造对比冲击视觉。纤细而有力的金属侧面，木质底面和石质顶面，以特定的比例形成了恰如其分的完美表现。Slice 床边柜的设计来自于建筑，与OVERLAP 床搭配，通过各种可持续表达混搭建筑的未来感。

SLICE

This slice cabinet design is derived from the architecture to express the mix & match sense by various sustainable materials. The designers wish to provide the neutral contrast impact vision by the clean, restrained outlines and different materials. The sides in slim but powerful metal, the wood base and the stone top in the specific proportion develop the perfect performance.

A woman with blonde hair, seen from behind, is sitting on a boat. She is wearing a white, sleeveless dress with a decorative waistband featuring circular buttons. She is looking out over a body of water towards a stone bridge with a metal railing and a small structure on top. The scene is captured in two versions: a faded, light-colored one on the left and a darker, more saturated one on the right. The word "GIRASOLE" is written in a thin, brown, sans-serif font across the middle of the left panel.
